DEAR ONES:

"WHAT LIES BEHIND US AND WHAT LIES AHEAD OF US IS NOTHING COMPARED TO WHAT IS WITHIN US."

by RALPH WALDO EMERSON

I LOVE THIS QUOTE BY EMERSON AND I THINK IT HAS PROBABLY PLAYED A BIG ROLE IN MY STATEMENT "GET OUT OF YOUR HEAD AND COME DOWN TO THE HEART". IF ALL OF US COULD REMEMBER THIS, LIFE WOULD UNDOUBTEDLY BE EASIER. WITH THE CHAOS AND CONFUSION IN TODAY'S WORLD, MY PERSPECTIVE IS THAT FOR OUR OWN SAKE WE NEED TO TRY TO STEP BACK FROM THE "DRAMA" WHETHER IT IS FAMILY ORIENTED, SOCIAL CIRCLE, CAREER OR WORKPLACE, OR THE SO-CALLED "NEWS". EACH OF US HAS TO FIND OUR OWN WAY TO SERENITY AND INNER PEACE. ONE THING I DO KNOW IS "DON'T DIG UNDER THE OUTHOUSE FOR WATER". (IF YOU DON'T KNOW WHAT AN OUTHOUSE IS, I'M OLD ENOUGH I CAN TELL YOU). WE HAVE ALOT OF TOOLS AT THE INNER-CONNECTION AND BETWEEN ALL OF US, A BIT OF KNOWLEDGE THAT CAN AID YOU IN YOUR SEARCH FOR THAT "INNER-PEACE". IF WE DON'T HAVE THE TOOLS YOU NEED, THEN CERTAINLY FIND THEM SOMEPLACE AND HELP THEM DO YOUR WORK.

A Reflexology session feels like an extravagance, is deeply relaxing,
and is therapeutic for the whole body!

Face Reflexology is an hour of delicious
and pampering relaxation.

A Face Reflexology session is most notable for the acquired state of deep relaxation. The recipient often goes into a deep, meditation-like condition. In this state of deep relaxation the body can release and heal, and one is left feeling restored and rejuvenated.

- Profoundly relaxing with extremely light touch
- Balances & rejuvenates the face
- Therapeutic Reflex Point stimulation
- Soothing Trigger Point contact
- Deepening through Meridian Point connection

Foot Reflexology is therapeutic and
extremely relaxing.

A Foot Reflexology session works on the meridian energy system that runs through the entire body contacting all organ systems. This session therapeutically helps to open blockages along the meridian energy system so that the body can function in a healthier way and supports the body to heal itself. The state of relaxation further helps the health of the body by relieving the stress so prevalent in most people today.

- Deep, total-body relaxation
- Powerful therapy works the whole body
- Healing via Reflex Point contact
- Stimulates the Meridian energy system
- Massage-like firm touch, not ticklish
